

2026 TRI-STATE SEMINAR

Exhibitor Prospectus

INTRODUCTION

Through our annual three-day seminar, Tri-State Seminar, LLC (TSS) provides affordable, high-quality educational training opportunities to water and wastewater professionals from across the United States. The technical sessions and workshops hosted at the seminar are designed to provide continuing education, professional development, and technical advances to support the mission and vision of our Member Associations; AZ Water Association (AZ Water), California Water Environment Association (CWEA), and the Nevada Water Environment Association (NWEA).

In a world where treatment, production, and water quality demands are ever increasing, the Exhibit Hall offers the appropriate venue to share technologies and solutions with our attendees.

PROSPECTIVE SPONSOR AND EXHIBITOR INVITATION LIST PREREGISTRATION FORM

This year we are implementing a Prospective Sponsor and Exhibitor Invitation List PreRegistration Form which **MUST** be completed by those companies who wish to attempt to register for a Premium Sponsorship or General Exhibitor Registration for the 2026 Tri-State Seminar. This step helps streamline the process and reduces stress on the registration system by ensuring that each company has a single, designated point of contact. Please note that completing this form **does not guarantee registration**. All interested Sponsor and/or Exhibitor organizations **must preregister** by submitting this form. This preregistration is intended to identify **one company designated contact** who will receive the email containing the official registration link for **Premium Sponsorship** or **General Exhibitor Registration**. This form is available on our website.

REGISTRATION

This year, registration will again be online. We are working on improving both the booth registration process as well as the booth location selection for the floor. The maximum number of booth spaces that can be purchased is 14. For priority access to booth registration, see the *Priority Registration with Premium Sponsorship* section below. The TSS Exhibit Hall Committee will review and approve all booth registrations to ensure no duplicate registrations have been completed by the same company. Once approved, our committee will place exhibitors in the exhibit hall or arena based on their time of registration, in accordance with first come, first serve. We will share more details on the registration process in the coming months.

STANDARD BOOTH

Pipe and drape are used to define the exhibit booth spaces and aisles. A booth is 10' x 10' and priced at \$1,000 per booth. Each booth space will include:

- One (1) 6-foot skirted table
- Two (2) chairs
- 500-watt electricity

ROLLING STOCK BOOTH

Rolling stock booths are intended for heavy equipment that requires driving or towing into the Exhibit Hall. Trucks/trailers cannot be placed side by side. Displays of two (2) or more trucks/trailers must be inline or offset from each other within the booth space. Rolling stock booths are 20 feet wide (equivalent to 2 Standard Booth spaces) and come in lengths of 30 feet to 70 feet' (the equivalent of 3 to 7 Standard Booths). Pricing for rolling stock booth space varies with the total dimensions of the space. For example, a rolling stock booth space of 20 feet x 40 feet is equivalent to 8 booth spaces and priced at \$8,000. Each rolling stock booth space regardless of size will include:

- One (1) 6-foot skirted table
- Two (2) chairs
- 500-watt electricity

PRIORITY REGISTRATION WITH PREMIUM LEVEL

(Platinum, Gold, Silver, And Copper) Sponsorship

Want to guarantee your spot as an Exhibitor? TSS is offering a priority booth registration option for Premium Level Sponsors!

Premium sponsorship priority registration will open at least four (4) weeks prior to general exhibit booth registration. If you select and receive confirmation for a **PLATINUM, GOLD, SILVER, OR COPPER** sponsorship opportunity during this registration period, you will be offered an opportunity to secure your booth registration (i.e. no need to register separately when general exhibit booth registration opens)!! Note that each premium sponsorship option includes a set maximum number of booths that are included in the specific option. Through the online portal, you will select your premium sponsorship option and the number of booth space(s) you would like to reserve. The TSS Sponsorship & Exhibit Hall Committees will review and approve all sponsor and booth registrations to ensure no duplicate registrations have been completed by the same company. We will contact successful Sponsors directly to select your booth space location, with Platinum sponsors being contacted first, followed by Gold, Silver, and then Copper. We anticipate this process will take place over the course of three weeks after Premium Sponsorship closes. We will share more details on the booth selection process in the coming months.

Note: Booth Space payment is **not** included in sponsorship pricing – sponsors must also pay for Exhibit Hall Booth Space(s).

GENERAL EXHIBIT BOOTH REGISTRATION

Approximately four (4) weeks after the premium level sponsorship priority registration period, general exhibit booth registration will open, with first-come, first-served offerings, as in prior years. During the general exhibit booth registration period, you will be able to register your booth space(s) and add other items (Big Bend Sponsorship, Golf Tee sponsorship, Golf Tournament) as optional items. Please see the Sponsorship Prospectus for more information and visit our website (www.tristateseminar.com) for more details on our current sponsorship offerings and to download the Sponsorship Prospectus.

SEMINAR REGISTRATION FOR EXHIBIT PERSONNEL

All personnel attending the event are required to register through the exhibitor portal. Two (2) complimentary exhibit booth personnel registrations (badges) are included with each 10' x 10' booth space. Additional exhibit booth personnel registrations are \$98 per person/badge if purchased before August 2, 2026. Badges purchased on or after August 3, 2026 will be charged \$248 per person/badge. Additionally, if a badge needs to be reprinted at the event because it is lost or forgotten, a charge of \$248 per badge will be assessed even if it is a complimentary badge. Lastly, if badge requests are emailed, mailed, hand delivered, faxed, or phoned in to TSS Exhibit Hall Committee members, the cost for registration will be \$248 per badge.

All Exhibit Booth Personnel **must** be registered. Booth registrants will **receive a separate email** to register all booth personnel before the deadline of **August 2, 2026**. All exhibitor badges will be available for pickup onsite at the Exhibitor Registration area, which is located outside
