

Tri-State Seminar, LLC (TSS) provides affordable, high quality education to water and wastewater operators from the Western United States through our annual three-day seminar designed to provide professional development, continuing education, and technology transfer to support the vision and missions of our partner organizations; AZ Water Association, California Water Environment Association, and the Nevada Water Environment Association.

Your company's sponsorship of the seminar will help TSS continue to develop quality education programs that serve our attendees, while keeping registration costs to a minimum. Sponsorships are used to help offset annual seminar expenses such as the facility, exhibition, and training materials. Becoming a sponsor at the seminar is the best way to differentiate your company from the competition! This year TSS is offering several different sponsorship opportunities in addition to exhibiting to help position your company as an industry thought leader and committed industry supporter.

### **POTENTIAL BENEFITS OF SPONSORING**

1. Increased exposure and awareness for your company
2. More traffic to your booth
3. Opportunity to strengthen your brand awareness with attendees
4. Reinforce your position as a premier leader in the water community
5. A way to get your name out if you are not exhibiting

### **NEW FOR 2022: EARLY-BIRD EXHIBIT BOOTH REGISTRATION WITH GOLD OR SILVER LEVEL SPONSORSHIP!**

This year, we have a new "early-bird" option available for Sponsorship that will benefit you as an Exhibitor! Registration for Early-Bird Sponsors will open at least two weeks prior to regular Exhibit Booth registration.

If you select GOLD or SILVER sponsorship during this early-bird time period, you will have an opportunity to secure your booth registration (i.e. no need to register separately when regular Exhibitor Registration opens!!) and select your booth space in the Exhibit Hall! We will call you personally so that you can select your booth spots.

This year we have expanded our sponsorship options to provide our sponsors with more benefits and exclusivity. Each level of sponsorship includes at least one complimentary seminar registration, golf tournament tee sponsor sign and recognition on our website, program guide and on-site seminar signage. Please see our Sponsorship Prospectus for all the details\*.
